**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and delegate authority to the Director of Health Services, or his designee, upon review and approval by County Counsel, to:

1. Execute three alcohol and drug services renewal Agreements with the providers listed in Exhibit I, for the provision of general program services for special projects, effective July 1, 2005 through June 30, 2006, for a total maximum County obligation of \$266,521, consisting of \$100,440 in Federal funds, and \$166,081 in State funds, with no net County cost.
2. Execute 67 alcohol and drug services renewal Agreements with the providers listed in Exhibit II, for the provision of program services to California Work Opportunities and Responsibilities to Kids (CalWORKs) recipients, effective July 1, 2005 through June 30, 2006, for a total maximum County obligation of \$11,894,534, 100% offset by Intra-Fund Transfer (IFT) monies covered by a Memorandum of Understanding between the Department of Health Services and the Department of Public Social Services (DPSS).
3. Execute 22 alcohol and drug services renewal Agreements with the providers listed in Exhibit III, for the provision of general program services for a three-year period, effective July 1, 2005 through June 30, 2008, for a total maximum County obligation of \$22,576,908, consisting of \$14,247,228 in Federal funds, \$7,536,510 in State funds, and \$793,170 in net County cost.
4. Execute 93 alcohol and drug services renewal Agreements with the providers listed in Exhibit IV, for the provision of Drug Medi-Cal (DMC) program services, effective July 1, 2005 through June 30, 2008, for a total maximum County obligation of \$125,247,183, consisting of Federal and State funds, with no net County cost.

5. Offer and sign forthcoming alcohol and drug services Agreements for the provision of DMC program services to all qualified State-certified DMC providers through June 30, 2008, following County Counsel review and approval and notification of the Board and Chief Administrative Office, effective upon provider DMC certification date, or July 1 of the current fiscal year (FY), whichever start date is requested by the provider, allowing for State approved retroactive payments.
6. Augment the maximum Agreement obligation not to exceed 25% per fiscal year of the FY 2004-05 allocation to all of the above Agreements excluding the DMC Agreements for which the 25% cap does not apply, in response to fluctuations of funds available to County, thereby maximizing utilization of allocated funds to alcohol and drug service providers.
7. Immediately suspend or terminate the DMC Agreements for breach following State decertification of the Provider.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS:

The proposed actions will delegate authority to the Director of Health Services, or his designee, to execute renewal Agreements and various Amendments to provide for continued alcohol and drug program services to residents of Los Angeles County.

Background

The County receives funding from the State Department of Alcohol and Drug Programs (SDADP) through a Negotiated Net Amount and DMC Agreement (NNA Agreement), which provides Federal Block Grant (FBG) and State General Funds (SGF) specifically designated to support the provision of alcohol and drug program services within Los Angeles County. Approval of these actions will allow the Department of Health Services (Department), Alcohol and Drug Program Administration (ADPA) to effectively use those funds (including IFT monies from DPSS) to purchase alcohol and drug program services by entering into agreements with alcohol and drug service providers listed in Exhibits I through IV. Board approval will also provide the Director of Health Services' delegated authority to offer and sign forthcoming DMC Agreements to all qualified State-certified providers through June 30, 2008.

FISCAL IMPACT/FINANCING:

State/County Negotiated Net Amount (NNA) Agreement – Funding Source

On June 1, 2004, the Board approved the FY 2004-08 NNA Agreement with SDADP that provided continued financial support for the provision of alcohol and drug services within Los Angeles County, effective July 1, 2004 through June 30, 2008, for a maximum obligation of \$279,527,238. Funding is available in the NNA Agreement with SDADP and has been requested in the FY 2005-06 Proposed Budget. Funding will be requested in future fiscal years.

The total County maximum obligation to renew three general program services Agreements for special projects, effective July 1, 2005 through June 30, 2006, is \$266,521, consisting of \$100,440 in Federal Block Grant funds and \$166,081 in State General funds.

CalWORKs Renewal Agreements

The total County maximum obligation for the alcohol and drug Agreements for the provision of program services to CalWORKs clients for July 1, 2005 through June 30, 2006 is \$11,894,534, consisting of IFT monies from DPSS.

For FY 2005-06, the total County maximum obligation is \$41,749,061, consisting of \$20,874,530 in Federal funds and \$20,874,531 in State funds. For FY 2006-07, the total County maximum obligation is \$41,749,061, consisting of \$20,874,530 in Federal funds and \$20,874,531 in State funds. For FY 2007-08, the total County maximum obligation is \$41,749,061, consisting of \$20,874,530 in Federal funds and \$20,874,531 in State funds.

#### FACTS AND PROVISIONS/LEGAL REQUIREMENTS

For several years, the Board has approved alcohol and drug services agreements to provide for residential and non-residential services, drug court services, prevention services, and services to CalWORKs recipients. Most recently, on June 8, 2004, the Board approved a variety of alcohol and drug services Agreements and amendments.

The Department is recommending a variety of renewal Agreements. Exhibit I lists three providers who are receiving State and Federal funds to continue special projects through June 30, 2006. These general program services Agreements are for the provision of alcohol and drug community prevention services and central intake services. Services provided under the community prevention services are media campaigns focused on African-American and Latino populations. Services provided under the central intake services are for clients of the Parolee Services Project.

The 67 providers on Exhibit II will continue to provide alcohol and drug treatment services to CalWORKs recipients through June 30, 2006, 100% funded by DPSS IFT.

Exhibit III lists 22 general program services providers whose alcohol and drug treatment services will be extended through June 30, 2008.

Exhibit IV lists 93 State-certified DMC providers whose renewal Agreements will also be extended for three years through June 30, 2008. On October 15, 2002, the Board delegated authority to the Director to execute future Agreements with State-certified DMC providers through June 30, 2005. The Department is requesting continued delegated authority to execute these Agreements to all qualified State-certified DMC providers through June 30, 2008, as funding for these services is 100% offset by State funds.

On October 18, 2004, the Department was notified that Children's Institute International had changed its name to Children's Institute, Inc. and that the change will not affect its 501(C) 3 non-profit status. On December 23, 2004, the Department was notified that Harbor-UCLA Research and Education Institute had changed its name to Los Angeles Biomedical Research Institute at Harbor-UCLA Medical Center and that there was no change in management. ADPA has verified that these changes

The Honorable Board of Supervisors  
May 19, 2005  
Page 4

are in name only and there have been no changes in ownership. The affected Agreements with Harbor-UCLA Research and Education Institute are listed in Exhibit III. The affected Agreements with Children's Institute International are listed in Exhibits II and IV. In addition, ADPA will amend Children's Institute International's Agreement Nos. H-212614 and H-700620 to change the name to Children's Institute, Inc.

All of these Agreements may be terminated immediately for breach or for convenience with 30-day advance written notice by either party. The Department is requesting delegated authority to the Director to terminate the DMC Agreements for breach following State decertification of the provider.

All contractors are in compliance with all Board, CAO, and County Counsel requirements.

The recommended Agreement formats will be reviewed and approved as to use by County Counsel prior to distribution to the contractors.

The recommended actions will not impact the Department System Redesign as the majority of funds are provided by the FY 2004-08 NNA Agreement from the SDADP.

Attachments A and B provide additional information. Exhibits I - IV have been reviewed by County Counsel.

CONTRACTING PROCESS:

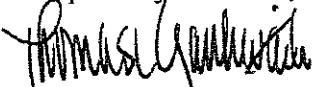

It is not appropriate to advertise ADPA renewal agreements on the Los Angeles County Online Web Site.

IMPACT ON CURRENT PROGRAM SERVICES (OR PROJECTS):

Alcohol and drug services will continue without interruption throughout Los Angeles County.

When approved, this Department requires four signed copies of the Board's action.

Respectfully submitted,

Thomas L. Garthwaite, M.D.  
Director and Chief Medical Officer
